

Telephone Strike Ends; Company to Ask Rate Hike

The telephone strike ended early Monday morning as negotiators in St. Louis finally reached a settlement. The walkout, in its 12th day, was staged by the Communications Workers of America of the CIO.

All 37 Cameron employees were back on the job Monday morning.

This new one-year contract will cost the telephone company \$8,000,000 annually. The company said it would ask for increased phone rates to cover the additional cost.

Southwestern Bell Telephone Company reported Monday from its division office in Dallas that Texas service was back to normal. Bill mailing, which had also been delayed, has been resumed.

Terms of the settlement between the company and the Communications Workers of America include a new weekly wage scale ranging from \$46 to \$98, showing increases of \$1.50 to \$3, depending on seniority and job classification. The highest scale for women operators is now \$58.50.

After several "objectionable" phrases had been removed, the union accepted the "protection of service" clause which had caused so much argument.

C. L. Carson, Southwestern Bell general manager for this district, said in a statement to a Herald reporter Monday morning, "We are glad the strike is over. Telephone service throughout Texas is rapidly returning to normal. Most of the telephone users in Texas received good service throughout the strike due to the efforts of employees who remained on duty. For their loyalty and the long hours they worked to keep vital lines open we are deeply grateful. We regret any inconvenience or hardship that may have been caused through any failure to handle calls with normal speed and accuracy. The public has been patient and understanding. We have received many expressions of appreciation from the public for the service furnished during the strike."

Marlow Baptist Church Celebrates Seventy-Fifth Anniversary Sunday

The Marlow Baptist Church will celebrate its 75th anniversary on Sunday, August 30.

Sunday was designated as Homecoming Day for all members and former members of the church. Former ministers and former members were sent invitations for the day.

About one hundred persons attended.

Rev. Raymond Richardson of New Gulf, newly appointed by the Foreign Mission Board to a post in South Brazil, was the morning speaker. Rev. Richardson, his wife and two-month-old son will sail for Brazil in early fall.

There was dinner on the grounds at noon. Each family was asked to bring a basket lunch.

Rev. R. B. Baker, pastor, was in charge of the afternoon service which began at 1:30. Rev. Richardson brought a missionary message for this service. Miss Shirley Horstman and Max McClaren sang a duet and Miss Horstman also sang a solo. They were accompanied by Miss Anita Dusek.

P. L. Brady Elected New Hearne Mayor

P. L. Brady is the new mayor of Hearne. He was elected Thursday to fill the unexpired term of H. S. Spiller, who died in office. The new mayor received 388 votes of a total of 626 cast for the four candidates. H. C. Kelly and P. J. Haas each received 123 votes and H. D. Beaumont, 77. A life-long Hearne resident, Mayor Brady formerly operated a gin near Hearne. He has recently been serving as county commissioner of Precinct 2. He is the second in his family to hold this office for his father was Hearne's mayor several years ago.

Apartment House Destroyed by Fire Tuesday Morning

An apartment house on East 13th Street was almost completely destroyed Tuesday morning in a blaze of unknown origin. The house, unoccupied, was part of the estate of Miss Annie Stallworth. It was located about four blocks from the school.

The fire began in the northeast apartment and spread to the entire house. The contents, which included furniture, were a total loss.

The Cameron Volunteer Fire Department was called to the scene about 9:50 a. m. and worked an hour before the flames were extinguished.

Firemen were called to the house again about 12:15 to extinguish a piece of furniture which had again broken into flames.

Miss Lillian Atkinson, who handles the Stallworth estate, said that no attempt will be made to rebuild the house. She said it probably would be torn down and the lot cleared. No estimate was made of the loss.

Football Tickets Will Go On Sale Monday, September 7

The 1953 reserved football tickets good for all home games of the Yoemen will go on sale at the Fidelity Abstract Company next Monday morning, September 7, at 10 a. m. Miss Nina Wilkerson is in charge of the sale.

The reserved tickets are \$4.50 for the five home games.

Due to the large number of fans who are unable to purchase tickets personally during the day, school officials announced that, for the first time, mail orders for tickets will be filled. Any person wishing to buy by mail should send his check now to Yoe High School, Box 712. Ticket orders will be filled as received. Those who do not purchase by mail may buy their tickets at the Abstract Office on Monday morning.

Dr. John B. Bryson Appointed New Director Milam County Health Unit

Dr. John B. Bryson is the new Director of the Milam County Health Unit. His state appointment to the position was recently confirmed by the Milam County Commissioners' Court.

He succeeds Dr. T. E. Crump, who has been serving as temporary director.

Dr. Bryson received his bachelor of arts degree at the University of Texas in 1942 and his Doctor of Medicine degree from the Southwestern Medical School, a branch of the University of Texas, at Dallas in 1945. He served his internship at Herman Hospital in Houston. After two years Army service, he was discharged as a captain from the Medical Corps. He received his MPH degree in Preventive Medicine and Public Health at the University of North Carolina in 1950. His most recent position was one year's residency in preventative medicine and public health in Florida.

Dr. and Mrs. Bryson and their four children will make their home in Cameron. As yet they have been unable to find a house for rent large enough to accommodate their family. Dr. and Mrs. Bryson are members of the Methodist Church.

Dr. Bryson will head the administrative branch of the Health Unit, which promotes a program of preventative medicine through education, sanitation and immunization. Serving with him will be the sanitarian, the clinical nurse and the school nurse.

Miss Elizabeth Holloway to Compete In District Farm Bureau Contest

Miss Elizabeth Holloway will represent Milam County Farm Bureau at the district Farm Bureau Queen Contest to be held September 7, 1953 at the Roosevelt Hotel in Waco, according to Dennis Klein, president of the local County Farm Bureau.

Miss Holloway, daughter of Mr. and Mrs. J. H. Holloway of Rt. 2, Cameron, was chosen Queen of the Milam County Farm Bureau on July 16 at Simon-George Memorial Hall over five other contestants. Runner-up in the county contest was Miss Anna Marie Hanel, daughter of Mr. and Mrs. Frank J. Hanel of Rt. 3, Cameron.

At the district elimination, the Milam County Queen will be competing against farm and ranch beauties from about ten other counties in this area. As in the county contest, the judging will be on appearance, poise and personality.

The forthcoming district contest will be held in connection with the Farm Bureau's annual fall district membership meeting. Issues facing agriculture will be discussed at the session. The public is invited to both the meeting and the Queen Contest.

The winner of the district Farm Bureau Queen Contest will receive a beautiful wrist watch, according to the county president. In addition she and her matron escort will have an expense-paid trip to the 20th annual state convention of the Texas Farm Bureau Federation where she will compete for the coveted title of Texas Farm Bureau Queen.

The state convention will be held Nov. 9-10-11 at the Baker Hotel in Mineral Wells. The girl chosen as Queen there will be allowed \$500 in expenses for herself and her matron escort to attend the 35th annual convention of the American Farm Bureau Federation in Chicago in December.

This is the third year that the Farm Bureau in Texas has sponsored a Queen Contest. Winner of the title in the first contest in 1948 was Betty Louise Tally of Robstown. Miss Mary Frances Sharp of McGregor was chosen state Queen in 1949 in the only other contest held. The statewide contest is being sponsored again this year to give recognition to the beauty, charm and vivaciousness of future Texas homemakers, and to give the rural youth of the state an opportunity to become acquainted with the principles behind the Farm Bureau movement.

Milam County Nearly Half Finished With Cotton; 14,106 Bales Ginned

Although this week's cotton harvest has been slowed down by rains, Milam County has maintained its big advance over this time last year. 14,106 bales have been ginned in the 1953 season, according to reports from the Texas Employment Commission in Rockdale, and only 6,987 bales were ginned at this period in 1952.

Milam is nearly half finished with its cotton harvest, in view of the TEC prediction of 35,000 bales for the county this year.

Gin reports of Monday afternoon and Tuesday morning show the Farmers Gin in Buckholts to have the highest number of bales ginned—1,247.

Battletown Baptist Church Homecoming Day is September 13

The Battletown Baptist Church will have their annual Homecoming services on Sunday, September 13. Everyone is invited to attend and a special invitation is extended to all former pastors and members.

The day's program is as follows: 10 a. m., Sunday School; 11 a. m. morning service with message by Rev. Bill Mahey; 12 noon, basket lunches will be spread on the church grounds; 1:45 p. m., song and praise service; 2 p. m. church history given by Mrs. D. M. Price; 2:15 p. m. a poem given by Gloria Harber; 2:30 p. m., recognition of visitors and former members; 2:30 p. m., message by the district missionary, and 3 p. m. greetings from former pastors.

Boy Drowns Monday In Little River

Willie Torres, Jr., about 14 years old, drowned about 4 p. m. Monday in Little River near the Branchville community. This section of the river flows through the Robert Foster place.

Between seven and ten boys were swimming and playing in the water Monday afternoon. Willie, who could not swim, was wading in the shallower water. As he ventured farther out into the river, the swift current pulled him under. One of his companions tried to pull him back to safety but could not.

Sheriff Carl C. Black said that he, others from his office and men from the Fire Department

spent until midnight dragging the river with the aid of two boats. Other men dived into the water, which is 12 to 15 feet deep, in efforts to recover the body.

It was recovered at 4 p. m. Tuesday in about 12 feet of water.

Willie had come to Milam County for the cotton picking season, but his parents remained in Robstown. They were notified of his death Monday night by the Sheriff's office.

Willie was born December 31, 1939 in Nueces County, the son of Mr. and Mrs. Willie Torres. He was the eldest of eight children, the youngest of which is two months old.

The body was taken to Robstown about 8:30 Wednesday morning by members of the family. Burial will be in the Mexican Catholic cemetery in Robstown. Green Funeral Home made local arrangements.

Five Cameron Women Receive Master Of Education Degrees

Five Milam County teachers received their Master of Education degrees in ceremonies Saturday night at the University of Houston. They were Martha Virginia Black, Agnes Winnie Dusek, Frances Mitchell Hensley, Mabel Frances Jeter and Nell Mayes, all of Cameron.

The graduation exercises for 750 students marked the official close of the university summer school and the last appearance of Dr. W. W. Kemmerer as president of the University of Houston. Dr. Kemmerer retires at the end of the summer.

The invocation and benediction address was given by Rev. Stanley Smith of Palmer Memorial Episcopal Church, Houston.

Two receptions followed the commencement exercises. Due to the large number of degrees awarded in the College of Education, a separate reception was held for that group at Oberholzer Hall.

Walker's Creek Group Will Meet

The Walker's Creek Cemetery Association will meet at 10 a. m. Sunday, September 6 at Walker's Creek Church for their annual gathering.

All members are urged to come and bring a basket lunch.

Pet Parade to Open Annual Lions Club Carnival, September 4 And 5

The annual Lions Club Carnival will take place this Friday and Saturday, September 4 and 5 at the city park.

Beginning the gala mixture of fun and frivolity will be the Pet Parade. Dr. George Bowman, chairman, said that prizes of \$7, \$5 and \$3 will be awarded. The contest will be judged on the basis of originality.

Each child who enters a pet in the parade will receive three free tickets good at the carnival.

The parade forms at 6:30 p. m. Friday at the First Baptist Church and starts moving promptly at 7 p. m. The procession of children and animals, led by a bright fire engine, will wind through town and arrive at the park about 7:30. There prizes will be awarded and the carnival will begin.

All the annual events, such as the cakewalk, country store, bingo, ducking pond and, of course, food will be included. A new event which promises to be entertaining is the Turtle Derby.

Woodrow Lowe is chairman for the Lions carnival, assisted by Charles Brady and F. E. Johnson.

The dictionary defines carnival as "a festival of merriment and revelry," but the Lions call it just plain fun for all—Mom, Dad and the kids!

Rogers School Will Open September 8

The Rogers school will open at 9 a. m. September 8 for a full day's session, Supt. J. B. Robertson said Thursday.

Cafeteria tickets will be available after September 3 and the cafeteria will be open for the first day of school.

The Rogers faculty will meet September 7.

Cameron Rains Measure 1.75 Inches Since Saturday; Cotton Damaged

On Thursday morning Cameron had received 1.75 inches rain since Saturday morning: .4 of an inch Saturday; .5 of an inch Sunday; .62 of an inch Monday; .17 Tuesday and .06 Wednesday. This brings the year's total to 24.29 inches. Last year at this time Cameron had received only 14.06 inches.

County Agent J. D. Moore said Monday that the grade would be lowered on cotton still in the fields due to the weekend rains. He said the rains had been pretty general over the area.

Torrential rains along the flat Gulf Coast plains Sunday sent 1,200 from Robstown and 450 from Sinton hurrying from their homes as flood waters mounted. Robstown had 2.4 inches of rain Sunday but up to 8 inches had fallen on higher ground west to the city.

Minor Fire Monday At Eber Flinn Home

A small fire in the Eber Flinn home Monday evening damaged clothes and rugs. The fire was discovered in a closet about 6 p. m. Someone had apparently left the closet light on near several plastic covered pillows. The pillows caught fire and burned clothing and rugs stored in the closet.

The Flinns had the fire about extinguished by the time the firemen arrived.

No estimate was placed on the loss.

In Napoleon's time, engineers thought the Red Sea was 30 feet higher than the Mediterranean, but the cutting of the Suez Canal between the two bodies of water proved them wrong.

The runoff caused an eight square mile lake west of the city. A 7-inch cloudburst fell in Sinton in less than five hours Sunday, making a total of almost 20 inches since last Thursday.

Corpus Christi reports 20 inches since Thursday and Robstown, 13. Bay City reports 10.23 inches since Saturday.

Immunization Clinic Now Scheduled All Day Wednesdays

The Milam County Health Unit's regularly scheduled immunization clinic has been changed to Wednesday from 8 a. m. to 5 p. m. The clinic was formerly held each Saturday morning.

The Health Unit offers immunization against communicable diseases as part of its program for controlling disease throughout the county. The program is free to all those interested.

Smallpox vaccinations are given to anyone over six months of age. Diphtheria and whooping cough vaccines are offered for children between the ages of 6 months and 11 years. Typhoid shots are available for persons over 13 years of age.

Janice Simecek, daughter of Mr. and Mrs. A. A. Simecek, was admitted August 25 to St. Edward Hospital for a tonsillectomy.

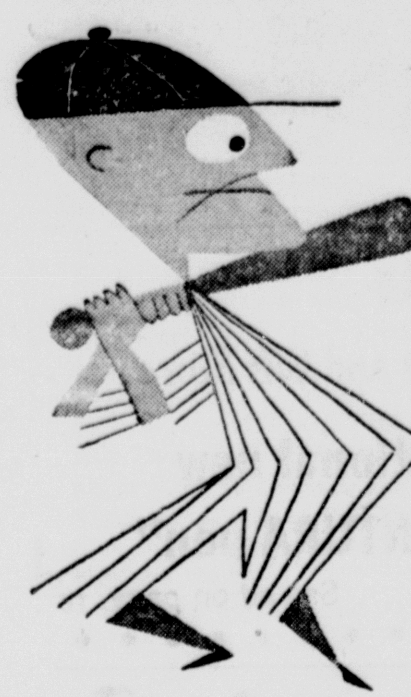

Harold Donaho of Burlington and Mrs. Roy Outman of Rockdale entered Newton Memorial Hospital August 26 for medical treatment.

Mr. and Mrs. H. L. Harris left Sunday for Salt Lake City, Utah to spend a ten-day vacation. They were accompanied by their daughter and son-in-law, Mr. and Mrs. Horace Simmons.

Research is being concentrated on the effects of radiation on living organisms and the effects of the first atomic bomb on Hiroshima continue to be investigated, the American Peoples Encyclopedia 1953 Yearbook reports. In time the research will project into the second generation of those initially exposed.

Governor of New Mexico Reviews Local Guard Unit

By Lloyd Albertson
Members of Battery C, 649th Anti-aircraft Artillery Battalion, attending two weeks of National Guard summer camp here at Fort Bliss, Texas, found out almost at once that the messing facilities matched everything else in their swanky surroundings.
The guardsmen eat in air-conditioned comfort in a large modern consolidated mess hall located at one end of their barracks. Instead of using mess kits, as at former summer camps, they are served here, cafeteria style, on unbreakable plastic trays. Their bowls and cups also are of plastic. The mess hall's kitchen has the most modern equipment, making it possible for the Battalion's cooks to turn out superior meals for the guardsmen.
As an example of the guardsmen's fare, below are the menus for breakfast and dinner for Sunday, Aug. 23, furnished by the Mess Steward, Sgt. W. J. Kruse, in charge of Battery C's mess hall.
Breakfast
Ice cream, cantaloupe, sausage, scrambled eggs, toast, butter, jam, cereal, milk, coffee.
Dinner
Chicken and dumpling soup, fried chicken, giblet gravy, French fried potatoes, buttered whole kernel corn, sliced tomatoes, salad dressing, cornbread, butter, fruit cocktail, lemonade.
Battery C, together with other units of the 649th Anti-aircraft Artillery Battalion and New Mexico and Louisiana units, participated in a large parade and review on Saturday morning, Aug. 22 here at Fort Bliss before high-ranking military and civilian dignitaries. These included the Governor of New Mexico and Army and National Guard officers.

The review was held against a backdrop of mountains and Fort Bliss' huge modern new barracks. The guardsmen made a spectacular sight as they marched down the parade ground, wheeled in a mass Battalion front, and passed in review while the band played and B-29's and jets from nearby Biggs Field roared overhead.
The review was the climax of the guardsmen's first week of camp that began when they arrived at Fort Bliss on Monday morning, Aug. 17. The week's schedule included practice tracking and firing at aerial targets by the 40 mm and 50 cal. machine gun crews, and also qualification firing with carbines by the new members of Battery C.
Those qualifying were listed as: Expert, Pvt. Bobby G. Clements and Joseph L. Mondrik; sharpshooter, Pvt. Joseph D. Kostroun; marksman, Pvt. Bobby J. Daniel, Layton D. Scott, Leo R. Giesie, James P. Reichert, Eugene S. Vansa and Albert J. Michalka.
During the week the guardsmen also became familiar with their huge barracks and no longer got lost going and coming from the mess hall and other parts of the building. But they are still impressed by the Waldorf-Astoria convenience of their surroundings. One guardsman, in fact, was heard to say: "You know, every time I walk down one of these corridors, I expect to meet General Douglas MacArthur."

Torpedoman Burnett Participates In Task Force Exercise

Among the 12,000 men who participated in the largest and most extensive training exercise since World War II was L. M. Burnett, torpedoman's mate, USN, of Route 2, Cameron, aboard the destroyer USS Wedderburn.
The exercise was code-named DESTRAEX and the units involved made up Task Force 12. A unit of the First Fleet, the Task Force consisted of two cruisers, 15 destroyers, four submarines, two destroyer tenders, and a fleet oiler.
A visit to Seattle was a breather for the Task Force. The 24-ship armada, joined by 12 destroyer escorts from the 11th, 12th, and 13th Naval Districts paraded single file over a 12-mile course along the shores of Elliott Bay as a part of the Seattle Sea Fair.

McClosky Requests Volunteer Workers, Clean Cotton Rags

The McCloskey Veterans Hospital in Temple has sent out a request for clean cotton rags to be used in craft work by their patients. Anyone wishing to donate rags for this purpose is asked to contact either Mrs. Walter Obermiller, 685-J, or Mary Jo Maddox, 1163-J.
Several members of the local Disabled American Veterans auxiliary are doing volunteer work at McCloskey on the second and fourth Mondays of each month. However, this month they will work on the fifth Monday, August 31.
More volunteer workers are needed at McCloskey. Those who are now going each month could furnish transportation for several more interested persons. Each volunteer is offered a choice of work. Some of the fields are: typing, crafts, library and nurses' aide. Anyone wishing to serve in some capacity is urged to contact one of the above ladies.

Mrs. E. W. Linder and children of Waco spent one day last week in the home of her sister-in-law, Mrs. Gordon Miller. Major Linder is serving in the Air Force, piloting jets for Uncle Sam in Korea at the present.
Sharon McGuire, nine-month-old daughter of Mr. and Mrs. Ed McGuire of Cameron, is a medical patient in Newton Memorial Hospital.

Exports of cotton from the United States during the first 10 months of this season total 2.7 million bales. This compares with 5.2 million bales for the same period last season.

Wallace Colburn of Buckholts, Mrs. T. E. Bishop of Milano, Mrs. Marvin Pugh of Rockdale were admitted to St. Edward Hospital August 23 for medical treatment.

Donna Diane Doss, six-year-old daughter of Mr. and Mrs. James F. Doss of Rockdale, entered St. Edward Hospital August 23 for surgery.

Marie Lois White of Rockdale was admitted August 27 to Newton Memorial Hospital for medical treatment.
Mrs. Charlie Matula, Mrs. C. F. Finch of Rockdale, and Mrs. John Springer were admitted to St. Edward Hospital on August 26 for medical treatment.

Miss Marie Hooper is a patient in King's Daughters Hospital in Temple. Miss Hooper is a former resident of Cameron and has many friends here who will be glad to know that she is recuperating nicely.

Mrs. O. Springer of Cameron and Mrs. A. C. Caffey of Tanglewood, entered St. Edward Hospital August 24 for medical treatment.

962 Attend Schools on Opening Day; Building To Be Finished Next Week

Nine hundred sixty-two children and teen agers went back to school Tuesday morning as Ada Henderson and Yoe High School opened their doors for the fall term.

Six hundred five of the total are pupils in the elementary school. Eighty-five are first graders, attending school for the first time.

Yoe High School has an enrollment of 357 which includes 93 freshmen, 94 sophomores, 84 juniors, and 86 seniors. Twenty-three of the high school students have never attended Cameron Schools before this term.

Supt. W. T. Hanes said Wednesday that the new agriculture and vocational arts building would be ready for use next week.

Workers are speeding up the finishing touches to the building in order that vocational courses may get under way. About sixty students have signed up for courses in agriculture and 47 for industrial arts courses.

Guy C. Clements, who was associated with an industrial arts school in Paris, Texas last year, is teaching those courses at Yoe High. Mrs. Clements has been employed as the new school secretary.

Plumbing and lighting repairs in the school buildings are almost complete, Supt Hanes said.

Fencing is under way this week on the Tuttle property recently purchased by the school board as additional playground space. The fencing is to cost under \$900.

JONES PRAIRIE NEWS
Mrs. S. S. Hickman

Mrs. Robert Glenn was hostess when the Home Demonstration Club met Tuesday, Aug. 28. Late summer flowers were used throughout the party rooms. The hostess directed a series of games. The president, Mrs. R. K. Fontaine, presided over a brief business session. The agent, Mrs. Alice Hughes, showed various fabrics, their uses in relation to cost, upkeep and suitability. One piece of material in particular was most interesting to the busy housewife. Mrs. Hughes laundered a pleated skirt, which requires no pressing, yet pleats were perfect. The hostess served delicious frosted fruit pie and lime punch to the 13 members present.

Mr. and Mrs. Roy Little of Falls Church, Virginia, are visiting her mother, Mrs. W. J. Fontaine. The Littles stopped over to visit their son, Airman 3rd Class Billy Roy Little of Keeler AFB, Biloxi, Miss. Mother, our Buster Brown salesman checks your child's feet scientifically 6 ways—all the vital points for gentle support and room to flex and grow.

- 1 Both feet are measured. The longer foot size and greater width is fitted.
- 2 Big toe joint is fitted to the widest inside line of the shoe.
- 3 Small toe is fitted to the widest outside line of the shoe.
- 4 Approximately 1/2 inch allowance from the end of the toe to the end of the shoe.
- 5 Heel fitted wide enough at bottom and properly snug at top.
- 6 Regular intervals suggested for rechecking shoe size.

Mr. and Mrs. Tommy Thweatt

of Oyster Creek visited home folks Sunday.

Byrl White has returned to her home in Dallas after spending several weeks with her grandmother, Mrs. V. T. White.

Mrs. Mary Sherrill of Ben Arnold, Miss Kate Nesbitt of Salem, Mrs. Susie Hensley of Belmena, Mrs. L. C. Boyd of Walkers Creek, Mrs. Willis and Mrs. Bobbie Looney of Branchville attended the party at the home of Mrs. Valtor White Monday afternoon.

THE LITTLE RIVER PHILOSOPHER SAYS IT'S NOT THE POCKET KNIFE THAT'S CAUSING FARMER TROUBLE, IT'S 4-ROW PLANTER.

The Little River Philosopher on his Johnson grass farm at Marlow has an answer to the farm surplus problem this week, but it's his answer, not ours.

Dear editor:

I was sittin out here on my farm yesterday not doin anythin except sittin and whittlin when a man brought me a clipping from a newspaper quotin a United States Department of Agriculture official to the effect a farmer who sits and whittles doesn't deserve to succeed.

"There is no

substitute for a good job of farming," the official went on. "Efficient farming methods, harder work, better production, that's what it'll take to keep farmin prosperous."

I wish to say that me and the knife manufacturers both resent this statement.

In the first place, why do you think the price of cattle is cheap? Because too many people have been raisin cattle instead of sittin and whittlin. Why would the price of cotton or corn or wheat drop way down below what it is now if there wasn't price supports? Because too many farmers have been efficient.

As I understand the agricultural expert's position, he wants us farmers to work harder and produce less, and the only way to accomplish that is to outlaw the tractor and return to the walkin plow. Personally, I prefer whittlin. It accomplishes the same thing and doesn't put the tractor people out of business.

Efficiency is a fine thing, it's almost necessary in a bank, but it can be carried too far out in the country. The reason we're gonna have crop controls on some items next year is because us farmers are producin too much, and you'll tell me a better way to cut down on production than sittin and whittlin, I'd like to know it.

You know, people in town like

to say of a farmer worked harder he would be better off, but that's on account of the way business men in town define the word work. A business man, if he has his store's front door open, considers himself workin, and it's a fine definition, exactly the one I've adopted out here on my Johnson grass farm. When my front gate is open, this farm is open for business and I'm at work, doesn't make any difference if I am sittin in the shade whittlin, the same as it doesn't make any difference if the business man is leanin against the counter or easin back in a swivel chair readin the comics or standin out on the curb lookin at the clouds.

Next year, when they get crop controls into effect, some farmers are gonna worry themselves sick over what they can plant on their idle acres, and they'll think of something and year after next whatever they plant will have to be controlled too, but if the government would distribute a lot of free pocket knives and encourage whittlin, instead of makin speeches against it, we could bring this problem of overproduction under control. It ain't the pocket knife that's causin farmers to have financial trouble, it's the four-row planter.

Yours faithfully,
J. A.

Another First—An All-Steel Overhead Door

The Long-Span 50' and 60' introduce an unusual degree of flexibility. All-steel doors, both overhead or sliding, are featured for side walls and end walls in two large sizes. Economical low-cost interior adaptations, drop ceilings, and insulation are made possible by the use of nailable Stran-Steel Framing in the walls and roof.

Individualized architectural treatment is easily obtained by use of masonry in side walls, end walls or both. Sky lighting, windows and ventilating adaptations are also available to meet all such problems economically.

With the announcement of the new Long-Span all-steel buildings, numerous and far-reaching benefits become available to many types of business. Warehousing and manufacturing—along with commercial establishments such as garages, supermarkets and entertainment places—are among the many who profit immediately.

Miss Doris Nadine Stall United In Marriage With Murrell Tucker

Miss Doris Nadine Stall, daughter of Mr. and Mrs. George Stall, Jr., of Lexington, and Murrell Charles Tucker, son of Mrs. Maggie Tucker of Cameron, were united in marriage Sunday afternoon, August 23. Rev. F. T. Sager performed the rites in a double-ring ceremony at the Lutheran parsonage in Rockdale.

The bride wore a tailored blue suit with tan accessories and her corsage was of white carnations. She carried out the tradition of something old, new, borrowed and blue and a penny in your shoe.

The groom wore a dark blue suit with a white carnation boutonniere.

Their only attendants were Miss Cecie Nell Fikes and Bruce Crook, both of Cameron. Miss Fikes wore a light green suit, similar to the bride's, with black accessories and a white carnation corsage. Mr. Crook wore a navy blue suit with white carnation boutonniere.

After the ceremony the couple left on a short wedding trip to Dallas and other points of interest. Upon their return, they will make their home in Temple where the groom will be employed with the A&P Super Market.

Mrs. Tucker was valedictorian of the 1951 graduating class of Lexington High School and, prior to her marriage, was employed as secretary at the Hornung Brothers Hatchery.

Mr. Tucker served in the armed forces in Germany during World War II and for the past several months has been employed as a mechanic at the Hefley-Stedman Motor Company in Cameron.

ANNOUNCING

Lt. and Mrs. Bobby Jackson announce the arrival of a daughter, Melody Ann. Mrs. Jackson will be remembered as the former Jean Kirk.

Grandparents are Mrs. Bob Kirk and Mr. and Mrs. Bartow Jackson.

Miss Barbara Drury And Dr. E. C. Kahler To Wed September 12

Mr. and Mrs. Walter C. Drury of Worcester, Massachusetts announce the engagement and approaching marriage of their daughter, Barbara Greenwood, to Dr. Edward Clayton Kahler of Philadelphia, Pennsylvania.

Dr. Kahler is the son of Mr. and Mrs. Ernest L. Kahler of Cameron.

Their wedding will take place September 12 at the St. Luke's Methodist Church, Bryn Mawr, Pennsylvania.

Dr. Bassett Kilgore, who is interned at the General Hospital in Philadelphia, will serve as best man. He is the grandson of Judge Watson of Cameron.

The bride's attendant will be Mrs. Walter C. Drury, Jr. of Shrewsbury, Mass., sister-in-law of the bride.

Miss Drury a former Worcester, Mass. Junior College student, is at present employed in Dallas.

Dr. Kahler attended the University of Texas, Colorado A&M College, North Texas State College and Southwestern Medical

Mrs. M. C. Tucker, Recent Bride, Given Shower on Thursday

Mrs. Murrell Tucker was honored with a miscellaneous shower Thursday night, August 27, at the home of Mrs. J. L. Slaughter. Assisting Mrs. Slaughter as hostesses were Miss Cecie Nell Fikes, Mrs. Louise Elley and Mrs. Willie Stall of Ben Arnold.

A series of three games were directed by Miss Fikes and Mrs. Elley. Prizes were won by Mrs. Malcolm Cass, Mrs. Lillie Rummel and the honoree, Mrs. Cass and Mrs. Rummel presented her prizes to Mrs. Tucker.

Refreshments were served buffet style to about 25 guests. The buffet table, covered with a lace cloth, held a center arrangement of lavender baby asters. The refreshments were three types of cake squares, mints and fruit punch.

Mrs. Tucker was Miss Doris Nadine Stall before her marriage August 23. Mr. and Mrs. Tucker left August 28 to make their home in Temple.

Surprise Party For Mrs. Schiller

On Sunday, August 16, Mrs. Jerry Schiller was given a surprise party by her husband. He had invited a host of friends to celebrate Mrs. Schiller's birthday.

A TON OF RUBBER BANDS, ANYONE?

If you enjoy spending money you'd like the job of General Purchasing Agent for Southern Pacific.

He spends over half a million dollars every working day.

Our revenues are large, but it takes a lot of money to run a railroad. A great deal goes right out again for goods, materials and supplies to keep the railroad running, our passengers happy and your freight moving smoothly.

Some of the things we spend the money for are either staggering or peculiar or both. More than a million and a half new cross ties every year... 2,000 pounds of assorted rubber bands... nearly 16 million barrels of oil... two million gallons of creosote... scores of new diesel locomotives... thousands of freight cars. These are just a few.

And a lot of the money goes for things you wouldn't ordinarily think of in connection with a railroad, like two thousand dollars worth of parsley. Moreover, under S.P.'s vast modernization program, we bought several hundred thousand dollars worth of electronic switching and communication equipment last year.

We also bought more than 90,000 tons of new rail, angle bars and tie plates—or about 1,800 50-ton carloads.

Southern Pacific buys tremendous quantities of the things it needs within the eight states

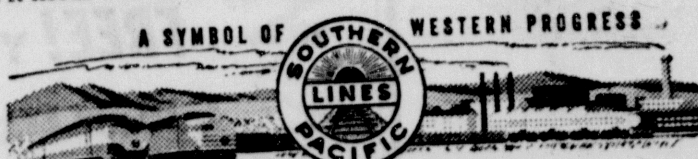

of the Golden Empire, spending many millions of dollars with local people and local industry. Many of these are outfits that S.P. attracted to the territory in the first place, thus making it possible for S.P. and everybody else to place more business in the West. This illustrates the rapid industrial growth of our Golden Empire.

Our purchasing offices at Portland, San Francisco, Los Angeles, El Paso, Houston and New Orleans buy from several thousand

local concerns and individuals. All told, our purchases totaled over 140 million dollars last year—an important factor in the economy of the area we serve.

People say that money talks. Well, this is one of our ways of saying, "It's a pleasure to do business with you!"
